## WELCOME HOME. WELCOME TO BAYTI

---

Bayti meaning 'my home' is the true sense of family home. Set in the heart of Al Hamra Village, the selection of three and four bedroom residences embrace the true essence of community living. With beautiful landscaped surroundings, Bayti provides spacious living inside the home and offers activities for the entire family. Close to the beach, Marina, Golf Course and a shopping mall - there is something for everyone.

Be part of a gated established community. With world-class amenities, already in place, and homes designed to use the latest sustainability technologies, you can enjoy a lifestyle without limit.

CHILDREN'S PLAY AREA AT BAYTI

## AN EXCEPTIONAL LIFESTYLE, MANY TIMES OVER

You can own a home that extends beyond the four walls thanks to these spacious and sunny 3BR and 4BR townhomes located at the heart of Al Hamra Village amidst 3 large recreational parks.

The generous outdoors represent about half of the masterplan and offer a large choice of recreational options with two swimming pools, play areas for the children as well as tranquil green areas.

- 🌿 3 storey townhomes with rooftop terraces, garden and spacious layouts.
- 🌿 3 and 4 bedrooms with nanny's room and laundry room.
- 🌿 Sustainable technology, beautiful finishes.
- 🌿 3 large sustainable landscaped recreational parks.
- 🌿 Swimming pools and kids play area.
- 🌿 Sizes from 258.84 sq.m to 375. sq.m
- 🌿 Minutes walk to the beach, Al Hamra Marina and Al Hamra Golf Club.
- 🌿 Near world class hotels; Waldorf Astoria Ras Al Khaimah, The Ritz Carlton Ras Al Khaimah Al Hamra Beach and Hilton Al Hamra Beach and Golf Resort.
- 🌿 Short walk to RAK Academy School.

## START LIVING

---

The life in perfect balance is afforded by the warmth and convenience of the community where the Bayti Townhomes are located. This master-planned development covers an area of 77 million square feet and includes 1.5 kilometers of pristine beaches, 5 resort hotels, the Al Hamra Golf Club that stretches across 4 inter-connected open water lagoons, a 200-berth marina as well as Al Hamra Mall, a two-storey retail centre offering a unique entertainment and shopping experience - all within a fully integrated community.

Al Hamra Village is located mere minutes away from some of the world's best cities by land, sea and air - to be exact the Village is only a short 45-minute drive from Dubai International Airport and as such you can enjoy life away from the hustle and bustle of city life without feeling disconnected from the rest of the world.

# SUSTAINABLE HOMES IN MODERN SETTINGS

---

Bayti homes are designed to utilize the latest sustainability technologies to reduce consumption while retaining and appreciating the value of your home and make your life more comfortable.

All homes have solar heated and energy efficient water tanks, low- flow water fixtures, CO detectors in each floor, environmentally friendly low-VOC paints and LED lightning to minimize environmental impact.

The key sustainable initiatives range from integrated project planning, to durability management process, sustainable site, water efficiency, environmentally preferred products and energy saving.

**Smart Extras**

- 💧 Wifi boosters
- 💧 Audio-video intercom systems
- 💧 CO detectors

**Green fixtures and fittings**

- 💧 LED lights
- 💧 Solar water heaters
- 💧 Solar street lamps
- 💧 LEED certified
- 💧 District cooling
- 💧 Centralized Gas

**Location and Linkages**

- 💧 Bayti homes are set within the award winning Al Hamra Village close to all amenities for the community
- 💧 The established community infrastructure provides open spaces parks and playing areas to the residents
- 💧 Easy acces to highway 611 & 311 near Airports

**Sustainable outdoors**

- 💧 Non-invasive plants for landscape
- 💧 Local plants that reduce irrigation
- 💧 Bright hard-scape tiling colors to reduce the heat island effects

**Energy and Water efficiency**

- 💧 Higher energy savings compared to Energy Star v3 standard
- 💧 Water fixtures that reduce homes total water consumption, including showers with average flow rates of 1.75 gpm since showering accounts for about %30 of water consumption

**Environmentally Preferable Products**

- 💧 Paints, sealants, and adhesives selected for their quality and safe formulas
