

MIRAGGIO

SOURCE OF FATE

The BUILDING

Rising **16 storeys** above the serene waters of **Al Marjan Island**, Miraggio is a landmark residential development that transforms waterfront living. This architectural masterpiece offers uninterrupted panoramic views of the **Arabian Gulf**. Positioned along the bay promenade, Miraggio provides seamless access to world-class attractions, including the upcoming **Wynn Al Marjan Island**, just a 15-minute walk away.

The APARTMENTS

Miraggio by Source of Fate offers a residential haven for those seeking serenity with their families. With open courtyards surrounded by tropical gardens and elegant water features, it offers a peaceful retreat. The building features retail spaces on the ground floor, adding convenience and vibrancy to the living experience. This collection of **810 residential apartments** is thoughtfully crafted and designed to harmonize seamlessly with the surrounding seascape.
