AJMAN CREEK

This natural waterway is always buzzing with activity, dotted with traditional wooden dhows— iconic Arabian boats that once played a huge role in fishing, pearling, and trading across the region.

Over on the north side of the creek, near Al Boom Marine, you'll find the famous Dhow Yard. It's one of the largest dhow-building hubs in the world and a must-see for visitors.

Life by the creek? It doesn't get better than this.

Al Zorah Nature Reserve

A group of four people are jumping from the deck of a sailboat into the ocean. The scene is captured in a dark, moody setting, likely at dusk or dawn, with the water appearing deep blue and green. The sailboat's mast and rigging are visible in the background. The overall atmosphere is one of joy and freedom.
