LIVING *Room*

LC

Le Château's interiors are shaped by light, balance, and quiet refinement. Floor-to-ceiling glazing and generous balconies extend living outward, creating calm, elegant spaces connected to the landscape.

THE INTERIORS KITCHEN

The kitchen continues the architectural language of Le Château, where refined materials and thoughtful integration create a seamless connection to the surrounding living spaces. a neutral palette and carefully considered detailing support both functionality and visual harmony, allowing the space to feel practical, open, and naturally elegant.

THE INTERIORS BEDROOMS

Bedrooms at Le Château reflect the project's emphasis on spacious, light-filled interiors, with generous layouts that support both rest and everyday living. Large openings allow natural light to shape the atmosphere throughout the day, while a calm material palette and carefully considered proportions create a space that feels open, comfortable, and naturally refined.

THE INTERIORS

BATHROOM

The bathroom is designed with the same sense of balance found throughout Le Château's interiors, expressed through refined finishes, warm neutral tones, and carefully composed materials. Soft lighting enhances the atmosphere, creating an environment that feels calm, timeless, and considered in every detail.

A woman in a long, flowing, light blue dress with ruffles is walking across a stone courtyard. The dress has a long, trailing skirt that fans out behind her. She is looking towards the right. In the foreground, there is a rectangular pool of water with two white swans swimming in it. The water is calm, reflecting the surrounding architecture and the woman. The courtyard is paved with light-colored stone tiles. On the left, there is a white marble statue of a female figure. The background features a series of arched doorways leading to a view of the ocean. The arches are decorated with vibrant pink and red flowers. A large, ornate chandelier hangs from the ceiling. The overall atmosphere is one of elegance and luxury.

The EXPERIENCE

AT LE CHÂTEAU, AMENITIES ARE NOT ADDITIONS, THEY ARE PART OF A CONSIDERED WAY OF LIFE.

THE ART *of* LEISURE COMPOSED

At Le Château, amenities are not additions, they are part of a considered way of life. Each space is designed to support well-being, connection and moments of pause, unfolding naturally throughout the day.

WHERE NATURE BECOMES PART OF LIVING

WITHIN *the* GROUNDS

The gardens at Le Château are shaped as an extension of the estate - places to wander, pause and reconnect. Curated greenery, sculpted courtyards and elevated terraces echo the spirit of classical French gardens, interpreted with modern restraint.

WHERE CALM TAKES ITS TIME

A MOMENT *of* REFLECTION

Residents can immerse themselves in the cool ethereal waters of the adults' infinity pool, beautifully crafted with sparkling shallows and integrated seating areas.

WHERE MOVEMENT FINDS ITS BALANCE

A RHYTHM *of* WELL-BEING

Well-being at Le Château is seamlessly integrated into daily life. A state-of-the-art gym connects fluidly with outdoor sports and yoga spaces, offering a balanced environment for movement, strength and recovery.
