A woman with dark hair and a diamond earring is lying on a dark wooden lounge chair by a swimming pool. Her face is tilted back, and her eyes are closed. The scene is bathed in warm, golden light, with strong shadows from palm fronds cast across her face and neck. The pool's surface is visible in the background, showing gentle ripples. The overall mood is one of relaxation and luxury.

RAS AL KHAIMAH

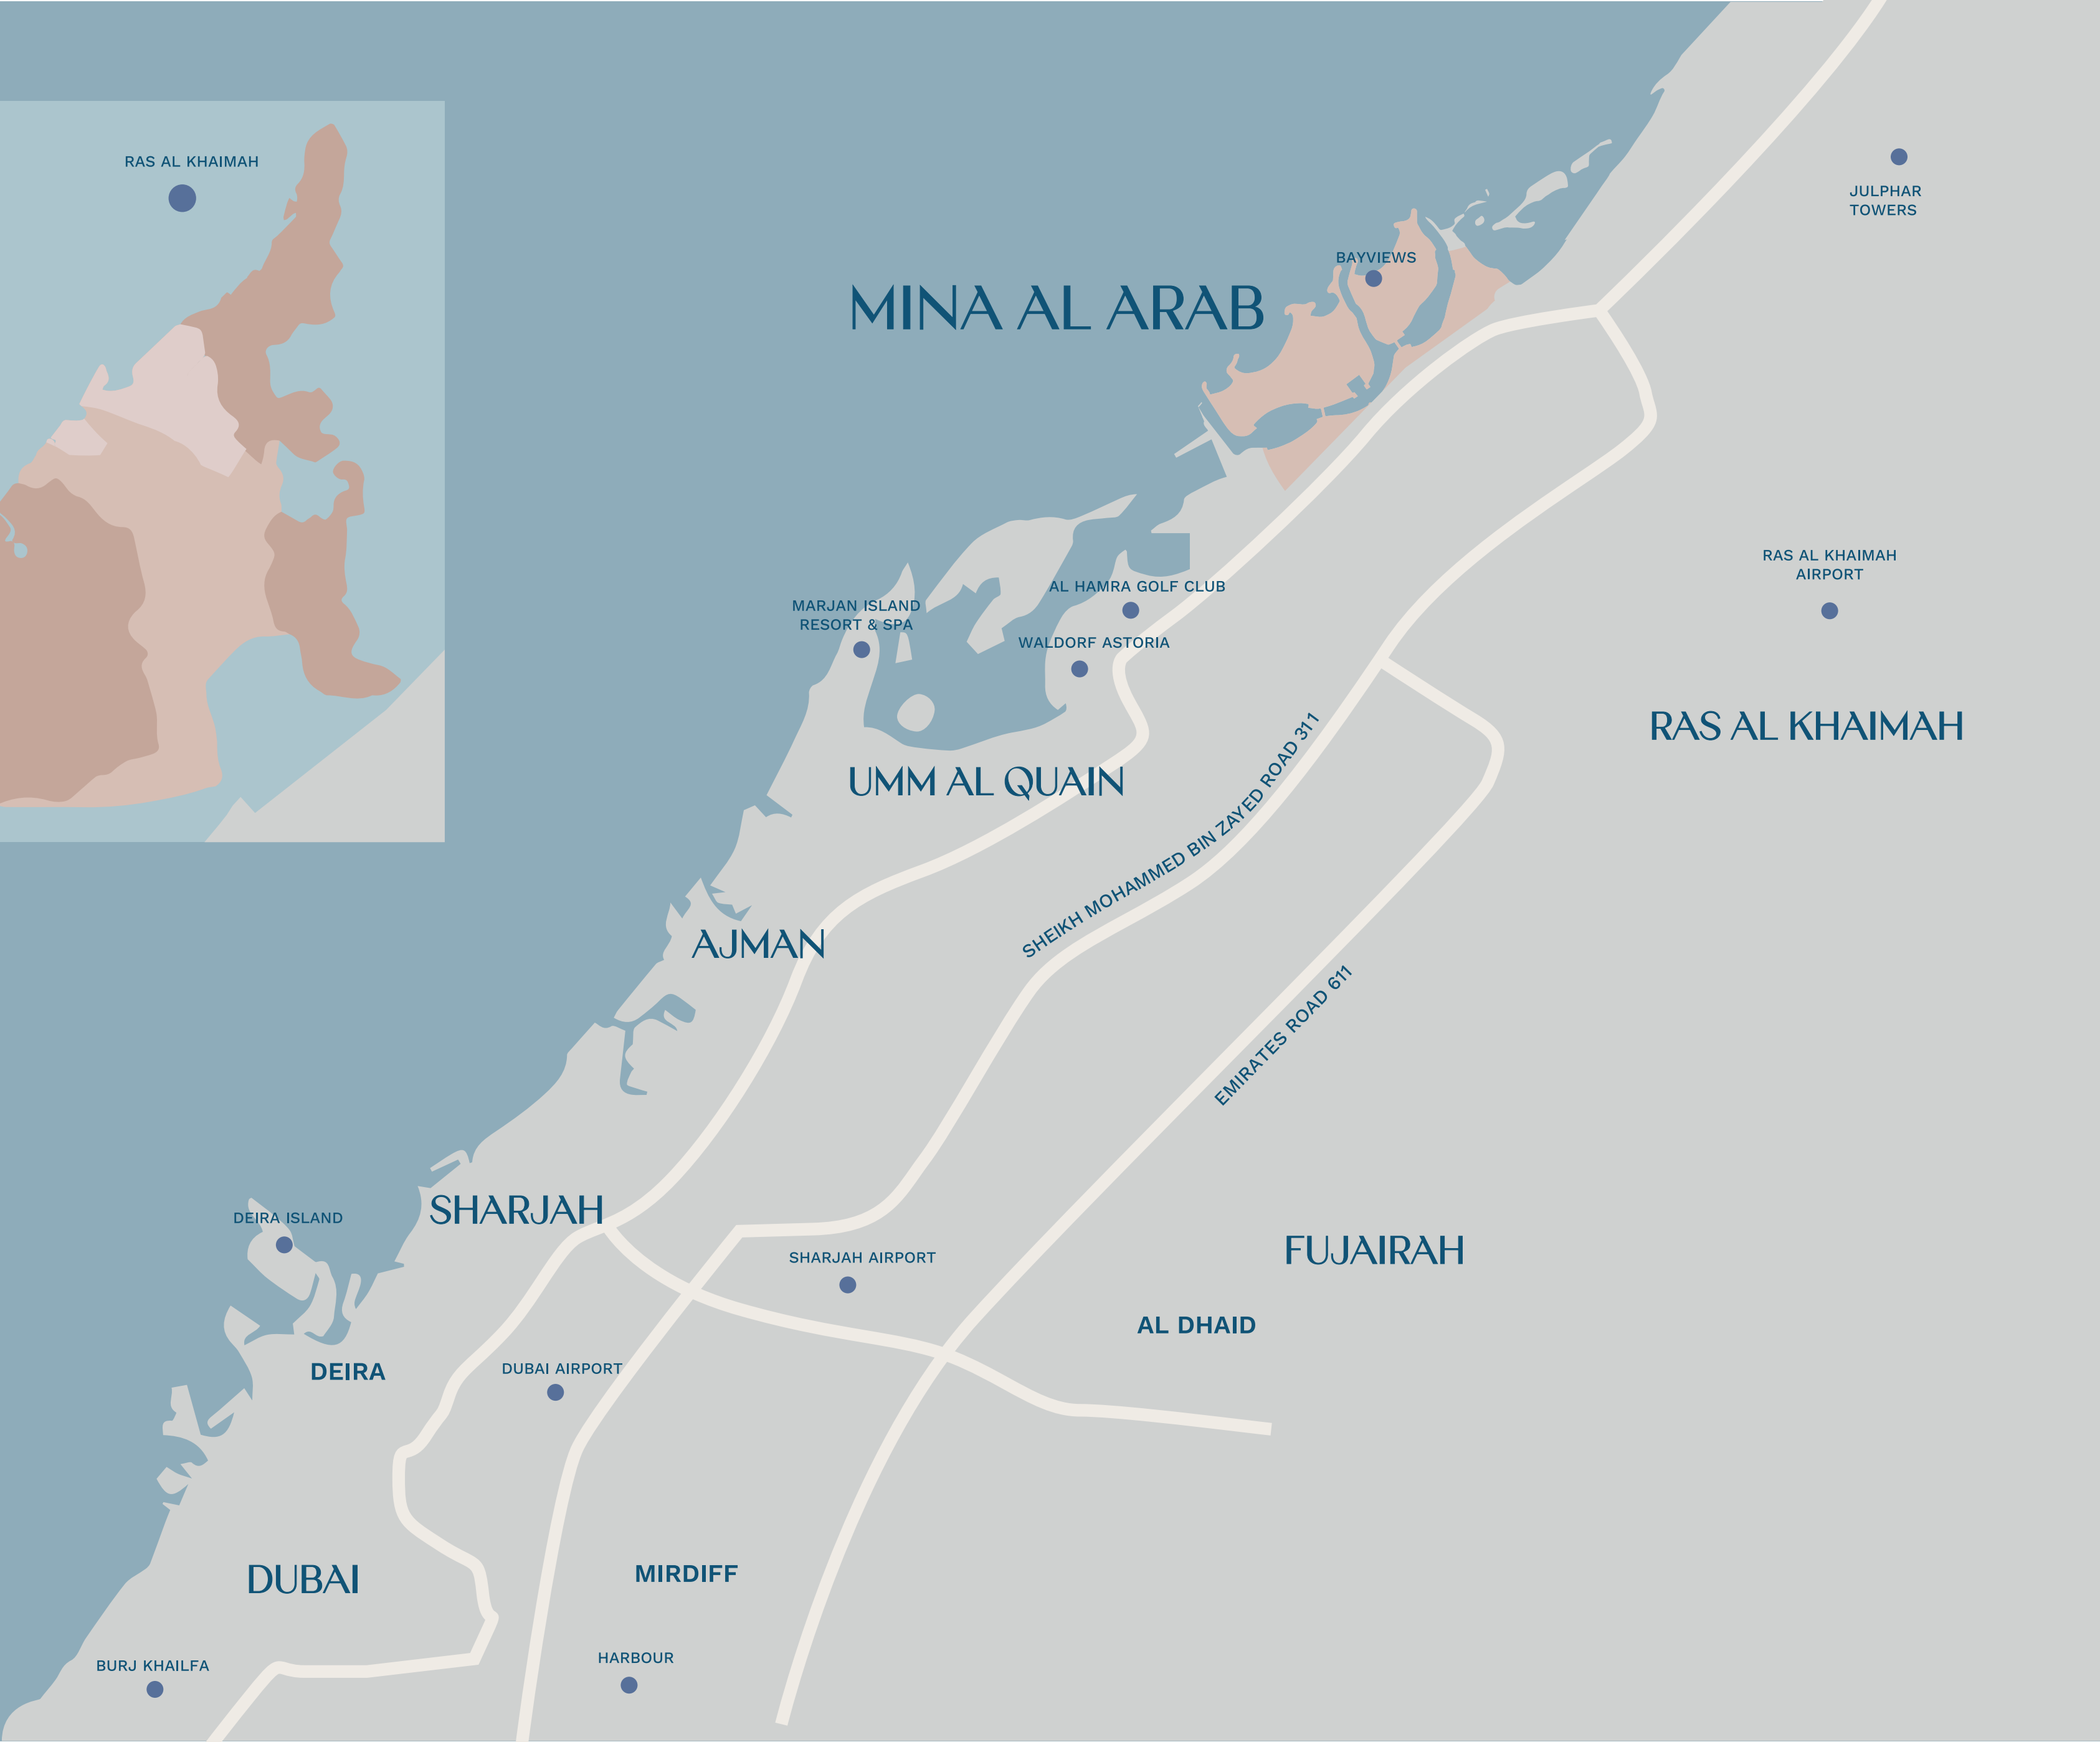

A RISING STAR

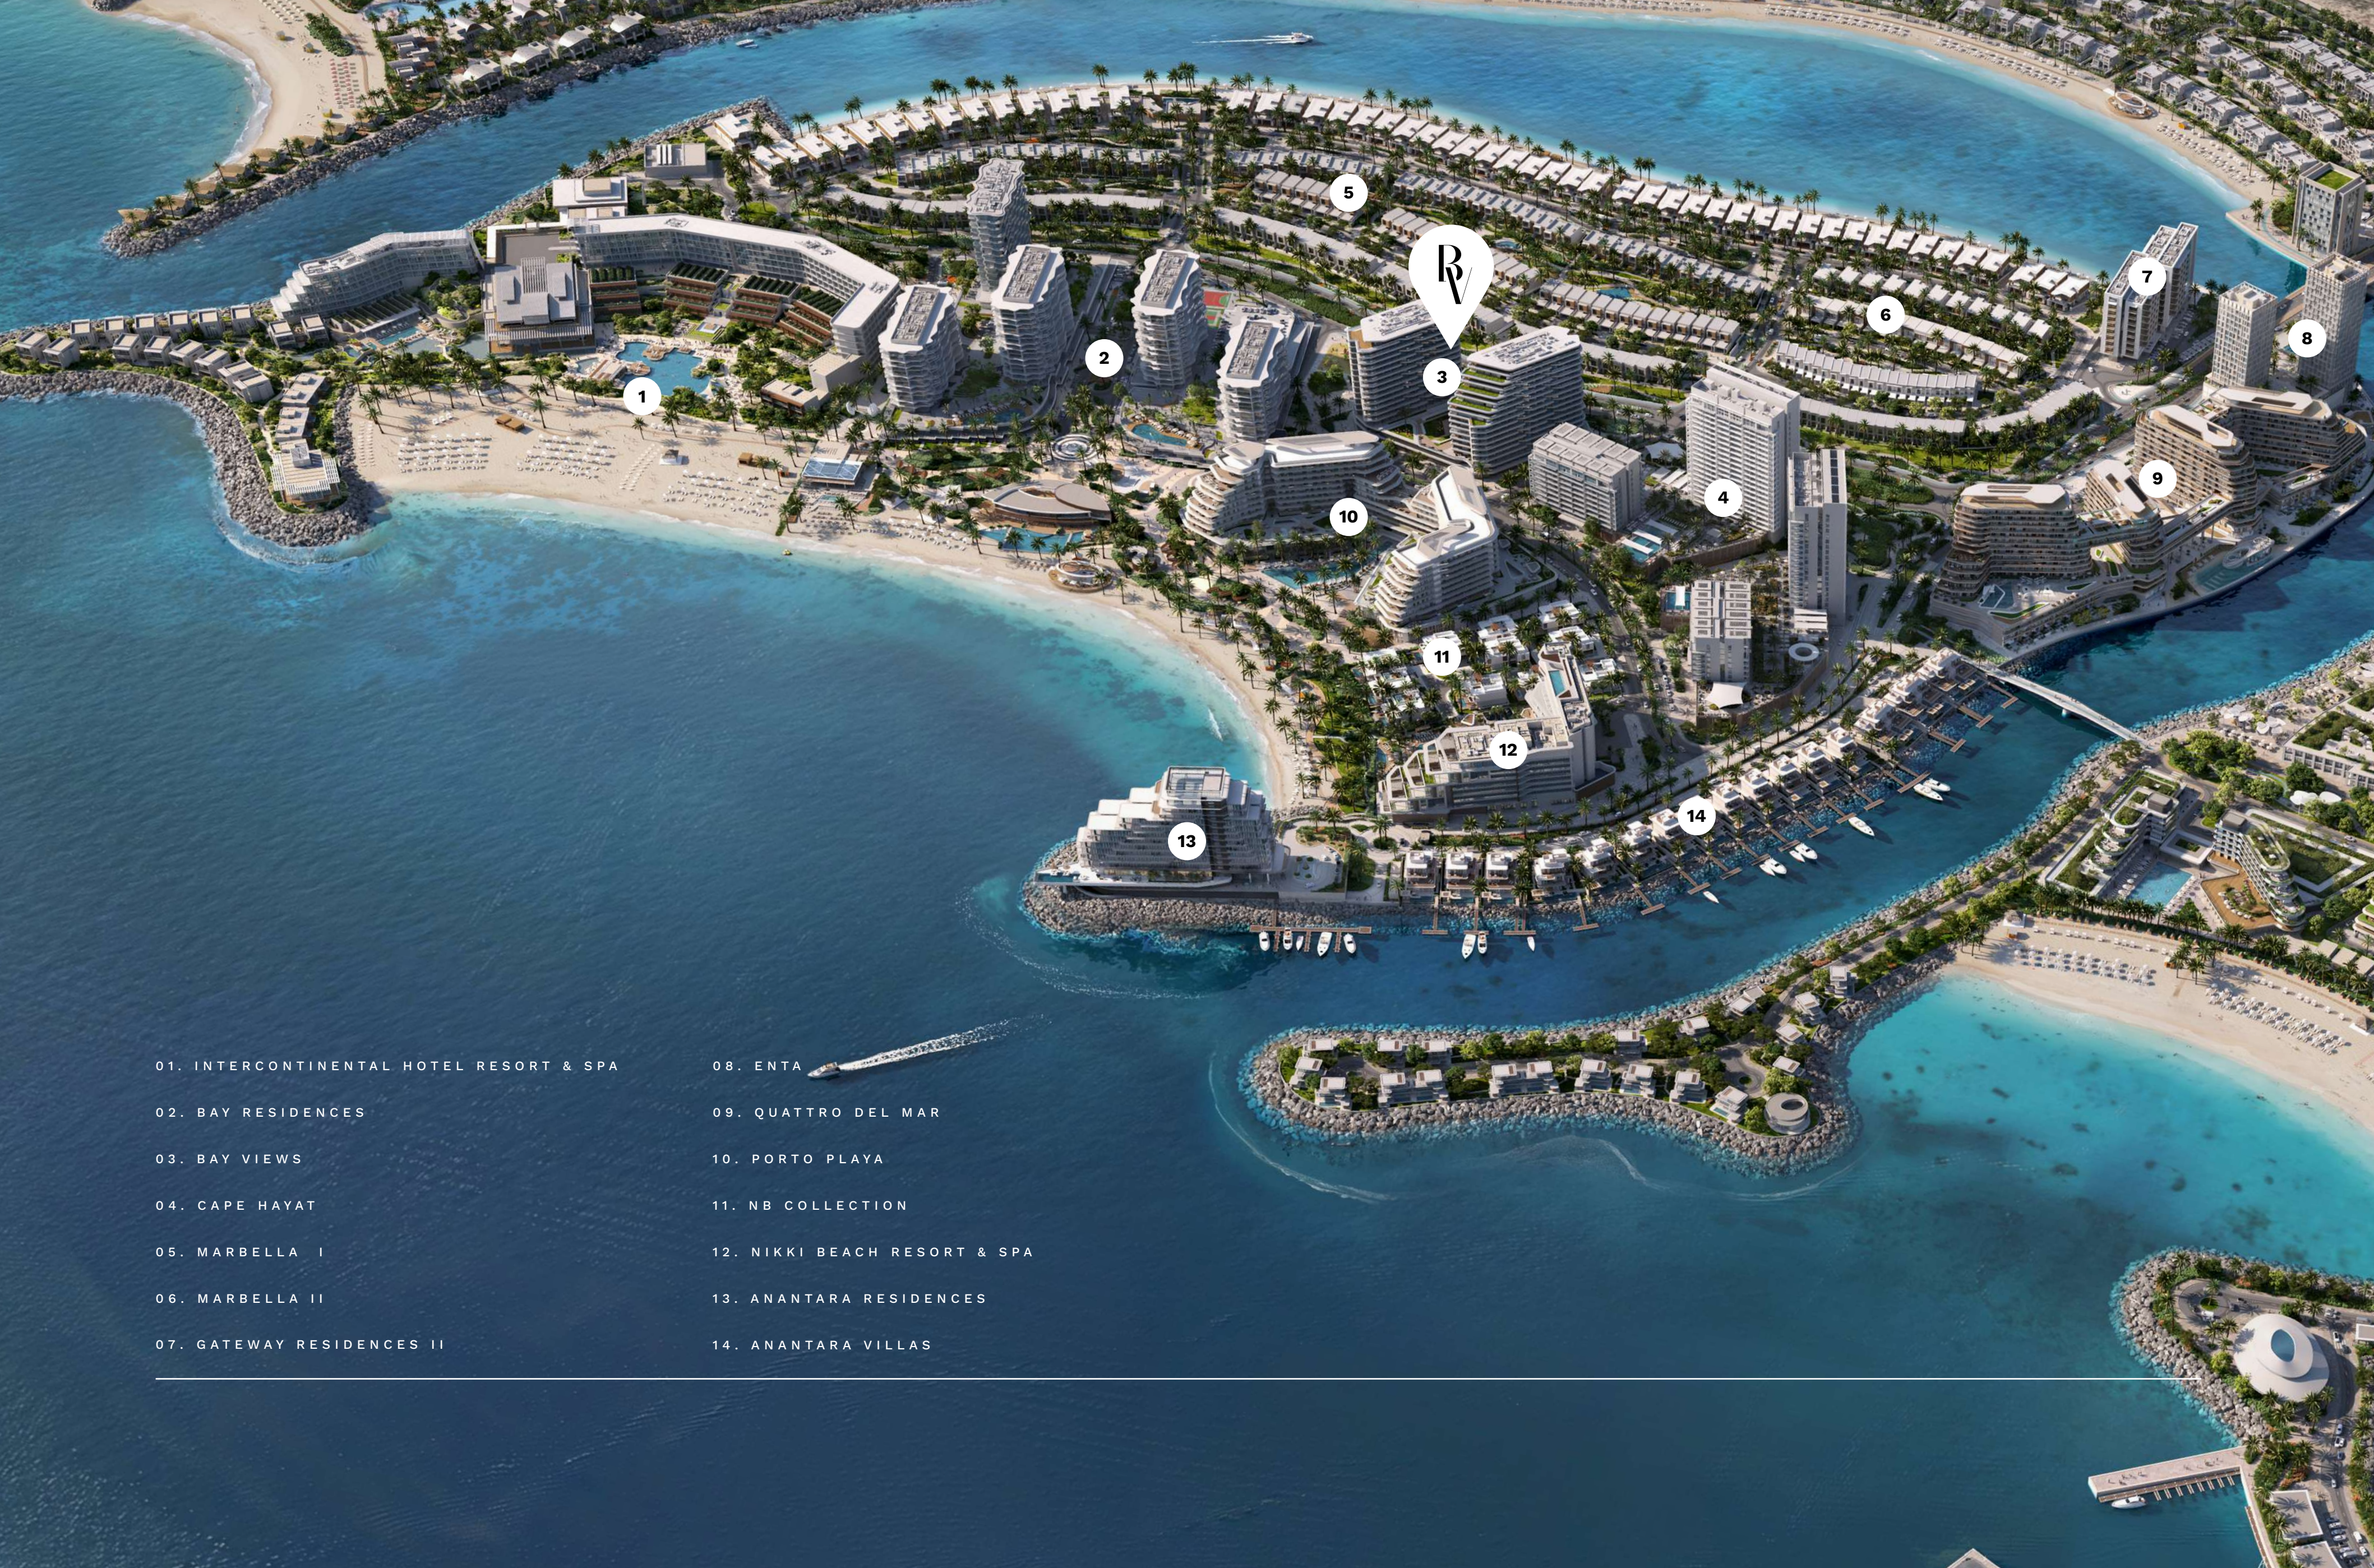

PROSPEROUS AND AMBITIOUS, RAS AL KHAIMAH IS EXPERIENCING NEW ENERGY

Ras Al Khaimah (RAK) is the northernmost of the seven Emirates that make up the United Arab Emirates. It is known for its rich history, dating back 7,000 years, and diverse landscape, from 64km of pristine beaches, to terracotta deserts and an imposing mountain backdrop.

The long and vibrant history of Ras Al Khaimah pervades the landscape, in centuries-old towns, mountaintop forts, coral stone buildings, museums, archaeological exhibits, ancient mosques. The famous Arabian tradition of hospitality is cherished, together with the heritage of adventure, exploration and wonder.

The Emirate is home to the highest peak in the UAE, Jebel Jais, which features the world's longest zip line, at almost 3km. Indeed, the World Bank's Doing Business report ranks Ras Al Khaimah 30th out of 190 economies for ease of doing business.
