

# BAYVIEWS

## ABOUT BAYVIEWS

Bayviews is an urban island residential complex located in Ras Al Khaimah, as part of Mina Al Arab Project. It offers spectacular views of the Arabian Gulf and the Hajar Mountains. The apartment buildings are designed to provide a luxurious living experience for residents while complementing the natural beauty of the surrounding landscape.

- Two residential towers (North and South) with panoramic seaviews.
- Residential units throughout the project vary between studio, 1, and 2-bedroom apartments.
- Bayviews South (14 floors) and Bayviews North (17 floors) are connected by an above grade ground floor and a podium level, as well as a below grade basement level.
- Located at the first floor level are shared amenities and services: an indoor gym, an outdoor activities and yoga area, kid's playground, barbeque area, and a swimming pool.
